# STINGER COACHES

## **DOUG DAIGNEAULT** **HEAD COACH**

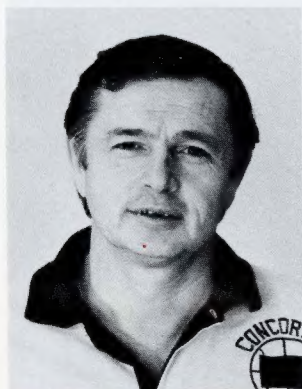

When Dr. Ed Enos was appointed athletic director of the then Loyola College, one of his first moves was to hire former Canadian Football League star Doug Daigneault to coach the men's basketball team. Few people at that time realized the impact that coach Daigneault was to have on the Loyola/Concordia athletic department. Doug has served as basketball coach, head football coach, intramural director, assistant athletic director and presently serves in the dual role of associate athletic director and head men's basketball coach. In his 16 years on the West End campus coach Daigneault has established himself as one of the premier coaches in Canada. His outstanding record of 344-195 includes ten league titles and an unprecedented string of 66 consecutive victories in league play from 1968 to 1972. In addition, Doug has been named "Coach of the Year" on three different occasions and is a charter member of the National Association of Basketball Coaches of Canada. This past summer coach Daigneault was selected to assist Jack Donahue at the Canadian National Men's Basketball team in Ottawa, Ontario. The last two seasons have been similar in nature for the Concordia cagers. In both years the Stingers got off to a poor start, only to rally behind coach Daigneault in the second half and advance to the Canadian Interuniversity Athletic Union championships finishing third in 1981 and fourth in 1982. This season Doug expects to lead his team to another shot at the national crown although he hopes to avert the early season slump that has plagued the Stingers the last two years. Born in Montreal, Doug was raised in Malone, New York and has been acclaimed as one of the finest all-round athletes ever to be produced in the upper New York State region. He earned All-Star honours at Franklin Academy in basketball, football and baseball, prior to

attending Clemson University where he received a Bachelor of Science degree and played in three major bowl games, the Orange Bowl, the Bluebonnet Bowl and the Sugar Bowl. After graduation, Doug returned to Canada where he helped lead the Ottawa Roughriders to a Grey Cup in his rookie year. Doug later played for the Montreal Alouettes before a back injury ended his football career. Coach Daigneault's daughters have also excelled in competitive sports. Lois and Debbie are presently attending Clemson and Miami Universities respectively, on swimming scholarships, while Julie is a member of the Canadian National Swim team, and recently set a new Canadian Record in the 800 metre freestyle.

## **JOHN DORE** **ASSISTANT COACH**

John Dore begins his second year as assistant coach after helping the Stingers to a fourth place finish in the CIAU Nationals. Coach Dore has amassed an impressive coaching record in a short period of time. He spent two years as assistant coach of the Concordia Women's team before becoming the head coach of the Vanier College men's varsity team. He compiled a two year record of 35-25 including two playoff appearances and was credited with developing several university players. He has served as athletic director at St. George's High School in Westmount since 1975. John is also co-director of Fast Break Basketball Camp which operates during the summer months. Coach Dore first made his mark in Montreal as a player for Loyola/Concordia, being named QUAA all-star three times. He was a complete player, combining hard-nose defense with sophisticated offensive play and a knowledge of the game that few players possess. John's career scoring average of 15.7 points per game was overshadowed by his reputation as a defensive player. John lives in Cote St. Luc with his wife Malka (a former captain of the Loyola Tommies) and daughters Lisa and Lauren.

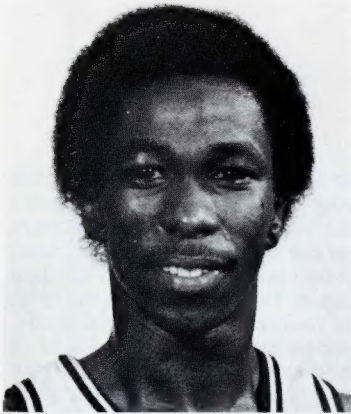

## **ANDY MEZEY** **ASSISTANT COACH**

The newest member of the Concordia coaching staff brings a wealth of sport and administrative background to the basketball program. Coach Mezey's name is synonymous with success, having captured six high school city championships and two provincial titles while at Father MacDonald High School and St. Thomas High School. Andy later took over the reins of the Dawson College Blues, leading them to four provincial titles and a Canadian Junior College Championship in 1978. Andy starred in both basketball and European handball in his native Hungary prior to his arrival in Canada in 1956. He was a member of the Hungarian National Handball team as well as the Junior National Soccer team. Besides his playing and coaching exploits, Andy is presently a Governor of the Sports Federation of Canada, a member of the Board of Directors for the Canadian Olympic Association as well as a member of the International Handball Federation. In 1976 he was selected to direct the handball division of the organizing committee of the XXI Olympiad. Andy also owns the highly successful Quality Sport sporting goods store in Westmount.

# DAWSON CONNECTION

Andy Mezey, Biagio Carrese, Alwyn Blackett, Craig Norman.

This season a key factor in the ultimate success of the Concordia men's team will be the contribution of the Dawson Connection. Head coach Doug Daigneault scored a major recruiting coup, when he landed two of the most highly sought players in Canada in Dawson's backcourt tandem of Biagio Carrese and All-Canadian Craig Norman. Both players have been tabbed by those in the know, as bona fide "blue-chip" prospects, who are destined for stardom in the C.I.A.U. Coach Daigneault feels that with the playing time they will receive this year, their development will be quicker than anticipated.

"Biagio and Craig represent the finest local recruits ever to attend a Montreal school", Daigneault claims. "They will be the nucleus for some very good Concordia teams over the next few years."

However, the freshmen pair are by no means the only Dawson flavour in the Concordia program. Another vital performer for this year's squad is guard, Alwyn Blackett, who graduated from Dawson in 1979. Blackett who directed the Stingers to a third place finish in the 1981 Nationals, is attempting a comeback after sitting out last year. Alwyn is the only Stinger guard with university experience, and will

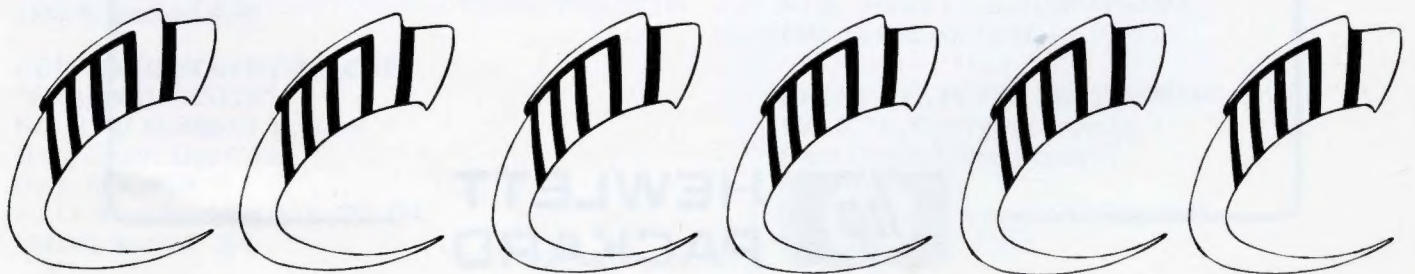

be counted on to handle the point guard position for coach Daigneault's cagers.

The final link on the Dawson Connection is Concordia's new assistant coach, Andy Mezey. Mezey, whose coaching accomplishments at Dawson include four Provincial and one National title, has been credited with developing many university players, including Blackett, Carrese and Norman.

"We feel that it is a tremendous plus for our program, when we can attract a quality local player to Concordia" coach Daigneault stated. "That is why we feel fortunate to have three players and a coach to come from a program as highly successful as Dawson."

"Since I first started coaching university basketball in 1966, the calibre of high school and CEGEP basketball has grown by leaps and bounds." Daigneault added, "We feel that with the job being done today in the local CEGEP's, there will be many highly skilled, well coached players in our own backyard. And we intend on keeping them in Montreal."

If that indeed does happen, local fans will be treated to some excellent university basketball played by home bred players. Carrese to Norman for two.

# STINGER COACHES

## **MIKE HICKEY** **HEAD COACH**

Mike begins his tenth season as a head coach at Sir George/Concordia, a tenure which has included league championships, trips to the National championships, as well as international experience with the Canadian National program. Coach Hickey took over the reins of the Sir George Williams Georgians in 1973, directing them to a 56-18 record including back-to-back trips to the Nationals in a two-year stint. With the merger of Loyola and Sir George in the Spring of 1975, Mike assumed the role of women's coach of Concordia. In a seven year span, Coach Hickey has amassed a 131-94 record with the Stingers advancing twice to the Nationals, finishing third in 1977 and fifth in 1981. Coach Hickey has twice been named Quebec University Athletic Association's "Coach of the Year". However, his coaching career has not been limited to Concordia. Mike has been involved with the Canadian National program beginning in 1976 when he became the first coach of the Canadian Junior National Women's team. After working with coach Jack Donohue and the Canadian National men's team since 1979, Mike was named to a "Coaching Apprenticeship" by the Coaching Association of Canada. Hickey assisted Donohue at the IX World Basketball Championship in Cali, Columbia this past August in which Canada finished sixth. In addition, Hickey annually co-ordinates clinics for the Royal Bank Junior Olympic program and is co-director of the Fast Break Basketball Camp. Mike played one year at St. Michael's College (Vermont) where he obtained a B.A. degree in 1971. He was Q.U.A.A. All-star while taking post-graduate studies at Sir George. He lives in Snowdon with his wife Judith and son Christopher.

## **GAY OWENS** **ASSISTANT COACH**

Gay Owens begins her second year as assistant coach for the Women's team. Having played for coach Hickey for five seasons, Gay is well versed in the Concordia system and proved an invaluable asset to last year's team. As a player, Gay helped Concordia to two appearances at the CIAU Nationals, a third-place finish in 1977 and a fifth-place ranking in 1981. Coach Owens, a three-time QUAA All-Star and former member of Canadian National Junior Women's team, is the second all-time leading scorer in Concordia history. Gay, a native of Ottawa, graduated from Nepean High School and played for the powerful Ottawa Rookies before coming to Concordia. She graduated with a Bachelor of Arts degree in Recreation and plans on a career in the recreation field.

## **LINDA MACPHERSON** **ASSISTANT COACH**

Coach Macpherson joins the Concordia coaching staff with impressive basketball credentials as both a player and a coach. Linda has worked as an animator in the Vanier college Athletic Department for the last two years and has assisted with the Quebec team tryout and evaluation camps. Prior to that, she served as Chris Hunter's assistant with the National Champion, John Abbott Islanders. Besides her practice duties, Linda will co-ordinate the Concordia recruiting program, concentrating on the Quebec CEGEP level. As a player, Linda will be remembered as a fierce competitor who earned All-Star honours during her two-year stint at Concordia. She also received a league All-Star selection in 1978-79, when she helped lead the Bishop's Lady Gaiters to a fifth-place finish in the CIAU Nationals. A graduate of Lindsay Place High School and John Abbott College, Linda presently lives in Baie d'Urfe.

# ABBOTT CONNECTION

Mike Hickey's first order of business when he took over the reins of the Concordia Women's Basketball team was to establish liaison with the Quebec C.E.G.E.P.'s. His first recruits were two excellent players from John Abbott, Debbie Huband and Cheryl Petersen. Huband later moved on to play for the Canadian National team, while Petersen enjoyed outstanding seasons for the Stingers.

After eight years of successes and failures in the annual recruiting wars, Hickey feels that the Concordia's recruiting program is on solid ground, ensuring quality teams for years to come.

"Certainly we have had our ups and downs in past seasons", Hickey stated. "We realize that the recruitment of local players will provide the consistency that our program has lacked. This is why Linda Macpherson's main responsibility will be to set up the C.E.G.E.P. recruiting system. Her knowledge of both the players and coaches at the C.E.G.-E.P. level will be a valuable asset."

The John Abbott Islanders, with numerous provincial and national titlists to their credit, have contributed heavily to the Concordia resurgence. The 1982-83 Stingers will have seven former Islanders on the roster, including first year players Jill Southgate, Beth Jordan, Lisen Moore, transfer Sue Hylland and Coach Macpherson. But Hickey feels that reliance on Abbott is changing.

"We are at the stage now where we can be very selective in who we try to recruit", Hickey adds. "Our experience shows that a player's attitude is as important as her skill level. We look for good players who want to become great."

While the Islanders influence is dominant on this year's team, Hickey maintains that his interest is not limited to the West Island campus.

"Over the years the Abbott program has produced the greatest number of quality player", Hickey stated. "But we put just as much time in recruiting Carolyn Marriott (Vanier) and Monique Francoeur (Ste. Foy) as anyone from Abbott."

The Concordia Stingers are expecting to field one of the strongest teams in Canada this year, a position they hope to maintain in the years to come.

"I think we have had the best recruiting of any of the Quebec schools during the past three years. We have always tried not to over recruit and this year's team represents the perfect blend of veterans and rookies."

With the development of the women's programs at Dawson, Vanier, Ste. Foy and the two Champlain campuses, Concordia will have that blend for a long time.
